Church Maintenance.

The wooden cabinets at the back of church, where the papers and 100 Club are distributed has a bad case of woodworm. They will have to be removed and new cabinets built in their place. The Hall has had the gas capped off this week as a small leak was detected by the national grid. The position of the leak has not been determined and an investigation will have to take place, and if it proves to be the pipe under the concrete of the car park it will be a big job to replace! I am looking to get these two problems solved soon. The presbytery has a broken gutter which leaves water gushing down onto the brick work. I wonder if there is anyone who would be able to help in fixing it?

MASS OF ANOINTING AND BLESSING This Thursday 5th May 6.00pm, Cardinal Newman School, Pope Francis Hall. For all those who are sick and for those who help to care for them. Refreshments will be provided after Mass

Fr Des is celebrating his 35th Anniversary of priesthood. There is a Mass in Stourbridge at 11 30am on Monday 2nd May. All welcome

Reverence

Come into a library you become hushed, people are reading
Come into a church you become hushed, people are praying
Come into a school you become respectful, people are studying
Come into a home you become respectful, people are living
