Jesus then calls forward a child and teaches the Twelve that to receive a child in Jesus' name is to receive both Jesus and the One who sent him. We might easily fail to understand the significance of this action. In first-century Palestine, children were without status or power, possessing no legal rights. In this action, Jesus is teaching his disciples and us that when we serve the least ones among us, we serve Jesus himself. Who are the people without power or status in our society that Jesus is calling us to serve? Do we do so willingly?
