**HOLY FAMILY PARISH CENTRE
 NATIONAL LOTTERY GRANT**

In 2018 the Parish buildings were inspected by the Diocese. The report that followed highlighted several areas that needed to be addressed and rectified. One of the most urgent areas was the installation of a toilet for the less abled in the Parish Centre; without which the Centre could not be used for public use and hire.

In May this year we applied to the National Lottery for funding. This application was successful and during August this year, work began to install the toilet for the less abled. All works have been carried out by approved builders H Sykes and Sons.

The grant application was successful as the centre is a venue for all activities and is in use by all age groups with a footfall averaging over 3000 people each month. On the 3rd September the National Lottery will highlight our successful application in their Awards for 2019 and we are asked to show evidence of the work both in our Parish Bulletin and local paper.

Con McHugh who maintains the deanery websites came with a drone last Tuesday taking pictures of the roof and it gives a good idea where the leaks are. The glass dome needs repair to stop water coming in. A Perspex covering and repair of the wood, also sealing of joints should stop the leaks! This work will be done soon.
