**Happy New Year!** What a year we have just had. The good news is that as the new year begins God loves us and continues to do so even though challenges are placed are way. Here is a New Year Prayer

### **The Year Ahead**

May God make your year a happy one!  
 Not by shielding us from all sorrows and pain,  
 But by strengthening us to bear it, as it comes;  
 Not by making our path easy,  
 But by making us sturdy to travel any path;  
 Not by taking hardships from us,  
 But by taking fear from our heart;  
 Not by granting us unbroken sunshine,  
 But by keeping our face bright, even in shadows;  
 Not by making our life always pleasant,  
 But by showing us when people and their causes need us most,  
 and by making us anxious to be there to help.  
 God's love, peace, hope and joy to us for the year ahead.
